Fellow-citizens of Louisville and of Kentucky, we invite your attention to the de-tails of the last St. Louis massacre, to be found in another column. This slaughter of innocent persons, as the murders of a similar character prev ously committed in that doomed and

danined city, is the work of the minion of the Adm nistration-of men armed and controlled by the Administration ! This is a specimen of the protection which that Administration gives to its sub jects-the protection which the wolf gives

to the lamb, which the kite gives to the This is an indication of the manner in which this accursed Administration would preserve the Union, maintain the Consti

From Washington. Washington, June 18 .- The Obio regiont which was altacked at Vienne, was ment which was attacked at Vienna, was on the train for the protection of a telegraph corps engaged in creeting a telegraph ine, and all were maware of the masked batterles which were planted in the woods and surrounding hills. The batteries are still there, but it is understood that an attempt will be made to take them during the day. Information has been received here that one column of the rebel forces at Manassas Junction, is on the retreat towards Acquis. Another covering their movement by a precented advance towards Fairfax Court illouse. ouse. Gea. Scott has ordered the regulars and

The Star has an extra from Conrad's Ferry, cast side of Montgomery, Marlyland, dated the 17th, saying that the enemy have been practising upon us to no purpose, from three or four six pounders planted on the other side of the river.—They have fired many rounds at a portion of Col. Stone's command sationed here. The total force of the enemy opposite us, is about 500 strong. Their fire was returned from our rided muskets by some twenty packed marksmen, who, in the course of three fires, brought down one of the enemy's gunners.

St. Louis, dane 18.—The Democrat St. Louis, Jane 18.—The Democrate learns from a gentleman just from Lexing-tor, that yesterday evening, as the advance guard of the U.S. cavalry, under Capt. Frier, were moving along the road, a tem miles from Independence, they suddenly came upon a considerable body of State mopos stationed on the top of a hill with cannon commanding the road. The cavalry fixed upon the State toops, and they returned the fire, killing three of the Federal troaps. Four Secessionists are reported killed, one of whom was Col. Holloway, in contaminate of the troops. There was no pursuit of the eavalry, and on Friday the state troops were concentrating at Bine Hills, and taking a strong position, and waiting for an expected attack from Federal troops.

Col. Curties, of the lown regiment, was proceeding from Mason City, last night, aking the Hamibal & St. Joseph road to tenies Schian, themee scross the country, in miles, to Bourville.

About thirty secessionless attacked a small number of Federal troops guarding the Dordenees creek bridge on the North Missouri militard near St. Charles, but were repulsed. Two Federal soddiers are said to be mortelly wounded.
